OVERVIEW
- **AccelGov LLC** is SBA approved 8(a), EDWOSB.
- 200+ employees with 8+ years of Information Technology (IT) experience across the US Military, Civilian, and Federal Health
- CONUS and OCONUS Presence
- NAICS Code : 541511, 541512, 541513, 541519, 541611, 541330

CORE COMPETENCIES
- IT Infrastructure Support
- End to End Cyber Security – ATO, Penetration, Vulnerability
- Cloud Migration and Modernization
- Low Code / No Code Platforms(SalesForce, Appian)
- Oracle Financial Implementation
- Enterprise Service Desk / Contact Center (ServiceNow)
- Application Modernization (Agile Development, DevSecOps)

PRIME EXPERIENCE
- **US ARMY:** ECMA, PAX
- **USMC**: ISB, LOGCOM G6
- **USAF**: HILL, NELLIS, BARKSDALE
- **HHS**: NIH, CIT, ACF, CDC, CMS
- **DHS**: FEMA, USCG
- **DOI**: FWS
- **USDA**: RD
- **DOJ**: FBI
- **DHA:** US Airforce, Navy Hospital
- **NARA**
- **US Navy:** NMCI DNA
- **DISA :** CYBEROPS, JINTACCS, JSP

CORE COMPETENCIES

CONTRACT PAST PERFORMANCE

- USDA ARS Oracle Apex Development
- USACE PAX Technical Support Contract
- NARA IT Infrastructure Support
- USMC MCEITS FSB – DevSecOps / Cyber
- OCC AV/VTC Support Services
- DLA Cyber Resilience Support Services
- IRS Network Monitoring Control Center (NMCC)
- IRS EST - Performance Testing
- USDA RD - Cyber Security and QA services
- HHS - SharePoint, Application Development and O&M Support
- DISA Ft. Meade – IA /Security of the DISN
- DISA Ft. Meade - Joint Interoperability of Tactical Command and Control Systems (JINTACCS)
- DISA J3/5/7 Strategic Planning Advisory
- WPAFB 88 MEDICAL GROUP IT support
- Navy NAVAIR IT Enterprise Services
- Navy NAVAIR RMF / ATO / Cyber
- Navy NAVAIR NMCI Network Unified Communications
- USMC G6 LOGCOM – Cyber/RMF/ATO
- DOI FWS – Cloud Migration, GIS
- DHA - Defense Medical Accession Computing System (DMACS)
- US Treasury- Audio Visual
- DHA – IT Svc Fort Gordon / Eisenhower.MTF
- Army - Cloud Cybersecurity Support Services
- Enterprise Cloud Management Agency (ECMA)
- USMC - MCIEAST Public Works Division (PWD) Cybersecurity support
- DHA - Medical Support Services
- NIH - National Center for Complementary and Integrative Health (NCCIH) Application development
- Air Force - Nellis AFB, NV - Support Admin Services
- Air Force - Barksdale AFB, LA - Support Admin Services
- Air Force - AF/A3 - Knowledge Management
- Navy - Camp Pendleton, CA - Support Admin Services
- Air Force - Luke AFB, AZ - Support Admin Services
- Air Force - Robins, GA - Support Admin Services
- National Defense University – ITSS

WORK PERFORMED

Cyber Security Services

- Defensive Cyber Operations; Incident/Vulnerability Management, Continuous Monitoring, Threat Detection & Analysis, C&A,
- Certification and Accreditation (C&A)
- Computer Network Defense, Continuous Monitoring, RMF, A&A
- Information Assurance & Security
- Penetration Testing
- Infrastructure & Network Application Security

Application Development & Cloud Migration

- Microsoft C# .Net
- J2EE
- Web designing and development
- Legacy Migration, Cloud Migration
- Database Development
- Application Development, SW Engineering

Enterprise Content Management (ECM), Document & Record Management

- Sharepoint customization and Implementations
- Sharepoint-Documentum integration
- Integrated Resource Information System (IRIS)
- VTC Engineering, Operational & Technical Support
- Virtualized Research Desktop Environment – *innovative private cloud pilot project brought to the customer*
- Sharepoint customization and Implementations

IT Infrastructure, Network Operations and Help Desk Support

- ITIL Consulting
- End User and Desktop Support
- Help Desk (Tier 1, 2, 3)
- Server Support (Windows, Unix, Mainframe)
- Networking (LAN / WAN / MAN / SIPRNET)
- Virtualization & Infrastructure Optimization

Operations and Maintenace

- DB support for Oracle, SQL Server and DB2
- Server and Desktop Admininstration
- Release Management
- Data Warehouse (Informatica, Terradata)
- Asset Management

Testing and IV&V

- Test planning
- Automated tests development
- Functional testing
- Load testing
- System testing
- Security testing
- Quality assessment and management
- IV&V and software testing
- Programmatic IV&V
- Configuration testing

CLIENTS

Cyber Security Services
- US Air Force, 88th MDG
- Marine Corps, Department of Defense
- NAVAIR
- DISA, Defense Language Institute
- USDA
- Naval Medical Center
- US ARMY
- National Institutes of Health

Application Development & Cloud Migration
- USACE
- USDA RD
- DHA
- US Navy, US Marine Corps
- Federal Bureau of Investigation
- DOI FWS

Enterprise Content Management
- DISA
- IRS
- US Air Force Nellis
- USDA
- Navy Marine Corps
- National Institute of Health – Multiple ICs

IT Infrastructure
- NARA
- FDA
- US Army
- US Air Force - 88TH MDG
- FBI
- IRS

Operations and Maintenace
- DISA
- US Air Force
- US Army
- Defense Logistics Agency
- US Navy

Testing and IV&V
- FEMA
- USMC
- DISA
- Department of Interior
- Defense Logistics Agency
